Introduction

Tricor e-Meeting system allows shareholders of the Company/members of the Organisation to participate in the meeting online in a convenient and efficient way from anywhere with an internet connection. Shareholders/members can view the live streaming of the meeting, participate in voting and submit questions via their smartphones, tablets, or computer devices.

Online voting is available for shareholders/members as well as authorised representatives/proxies appointed by HKSCC Nominees Limited (“HKSCCN”).

Help and Support

If you have any technical problems or require assistance prior to or during the meeting, please call our dedicated e-Meeting hotline at (852) 2975 0928 from 9am to 5pm (Monday to Friday, excluding Hong Kong Public Holidays). Kindly note that the hotline staff cannot process your votes or submit questions over the phone on your behalf.

Points to Note:

1. Please use the below browsers to log in our e-Meeting System:
   - Chrome
   - Microsoft Edge
   - Firefox
   - Safari

2. Please have your mobile device with SMS function ready to receive the one-time verification code via SMS.

3. It is highly recommended that you check your login details and computer setting before the meeting starts.

4. Concurrent login is not allowed for the same account attending the same meeting.

5. All persons seeking to attend and participate in an online meeting shall be responsible for maintaining adequate facilities and reliable internet connection to enable them to do so. The internet connection has to be fast enough to support video streaming with optimal video quality and speed. If you are using a shared connection, please ensure your internet speed would not be slowed down by other shared user(s) who may be running other applications/live streaming at the same time.

6. If your internet connection is inadequate or interrupted, it may affect your participation in the online meeting, or you may be logged out from the online meeting. Please note that this will not invalidate the proceedings of the meeting which will continue and remain effective.

7. As the meeting proceedings are live broadcast, you may miss certain parts of the broadcast after buffering if you do not have a fast enough or steady internet connection to keep pace with the meeting proceedings. Unlike other video application like YouTube, you cannot rewind the live broadcast to view the parts which you have missed.

8. Apart from some of the possible risks listed above, online meeting is technology dependent and certain of these risks including but not limited to your own internet capacity restrictions and potential service disruptions. If you find these risks unacceptable and do not wish to attend the meeting online, you are very welcome to join the physical meeting either in person or by appointing a proxy/chairman of the meeting to vote on your behalf. Submission of proxy form will not preclude you from attending and voting at the meeting in person or online.
